SENATOR HALL: The bill does not advance. The call is raised.
Items for the record, Mr. Clerk.

CLERK: Yes, Mr. President, thank you. Amendments to be printed to LB 91 by Senator Landis. Communications from the Governor. (Read communication to the Clerk regarding LBs 81, LB 210, LB 26, LB 103 and LB 251, and communication to the President, Speaker and Senators regarding signing of LB 207.) Transportation Committee reports LB 564 to General File. That's signed by Senator Kristensen. Health and Human Services reports LB 531 to General File with amendments; LB 374, indefinitely postponed; LB 686, indefinitely postponed. And announcement from the Appropriations Committee regarding times of their hearings on this Friday, Mr. President. That's all that I have. (See pages 720-22 of the Legislative Journal.)

SENATOR HALL: Thank you, Mr. Clerk. We'll now move to LB 161, Senator Kristensen's bill.

CLERK: Mr. President, there are no E & R amendments. I do have an amendment from Senator Kristensen. The amendment was printed on page 677. Senator, I understand you wish to request a division.

SENATOR HALL: Senator Kristensen.

SENATOR KRISTENSEN: Thank you, Mr. Chair, and members of the Legislature, I would move for a division of this amendment. There are two separate parts and I would ask for a division on line 10, after the semicolon. Everything above that would be the first part that I would like to take at this point, and then the second part of it deals with fines. The first part deals with child support. They are two different areas, all relating to collection, but it's two different things, and so that people are not confused by the subject matter, I would request this division.

SENATOR HALL: Thank you, Senator Kristensen. The amendment appears to be clearly divisible. It will be divided as you requested. Which one, Senator Kristensen, which portion, which division would you care to take up first?

SENATOR KRISTENSEN: I would like to take the top division first.
